

## **Petition for a Private Bill: Improvement of Child Welfare for Lord Lancelot Junior Webb**

To the Honourable the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled:

The Humble Petition of Lord Lancelot Junior Webb at 5 Carisbrooke Court, Station Approach, Cheam, Sutton, SM2 7BN

Sheweth:

1. That your petitioner seeks to introduce a private bill to enable the payment of the sum of Five Hundred Thousand Pounds (£500,000) to Lord Lancelot Junior Webb every six months out of the Consolidated Fund for contributions towards child welfare, health, and cost-of-living expenses.
2. That the proposed private bill shall authorize such payments under the provisions of the Taxes Management Act 1970 or any related legislation regarding payments from the Consolidated Fund.
3. That the exceptional circumstances faced by Lord Lancelot Junior Webb, particularly in relation to child welfare and health, necessitate these payments to ensure the provision of essential living and medical expenses.
4. That this proposed financial arrangement aligns with the principles of public welfare and adheres to the legislative framework governing the Consolidated Fund and related financial statutes.

Your Petitioner therefore humbly prays that your Honourable House be pleased to permit the introduction of a private bill to provide for the periodic payment of financial relief to Lord Lancelot Junior Webb in the manner herein described.

And your Petitioner, as in duty bound, will ever pray.
