1700 CHAPTER 2 12 and 13 Will 3 for the further Limitation of the
Crown and better securing the Rights and Liberties of the Subject,

To the Honourable the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled:

The Humble Petition of Lord Lancelot Junior Webb at Cheam Ward, Sutton

SHEWETH:

That your Petitioner, Lord Lancelot Junior Webb, is a subject of His Majesty, residing in the United Kingdom, and being a person of lawful age and sound mind, is desirous of seeking the intervention of this Honourable House under the provisions of the Act of Settlement (1700), Chapter 2, 12 and 13 Will 3, enacted for the further limitation of the Crown and the better securing of the rights and liberties of the subject.

That your Petitioner is of the Webb family, whose coat of arms is settled in Westminster Abbey, and is a descendant of the Lords of Middlesex and the Kings of Wessex, and is thereby connected to the historical legacy and governance of this realm.

That the Act of Settlement (1700) establishes principles for the governance of succession to the Crown and safeguards for the liberty of His Majesty's subjects, including provisions to prevent undue influence and the encroachment of foreign interests.

That your Petitioner humbly submits that inclusion within the purview of the Act of Settlement (1700) is essential for securing and protecting the lawful rights, privileges, and freedoms of your Petitioner in alignment with the safeguards guaranteed under the Act.

That your Petitioner believes such inclusion is consistent with the enduring objectives of the Act, to uphold the Constitution, maintain the integrity of governance, and safeguard the liberties of His Majesty's subjects.

That the specific relief sought by your Petitioner pertains to [state specific issue or matter for redress, e.g., recognition of hereditary rights, privileges, or succession, with detailed reasoning for the request].

That your Petitioner's case is unique and warrants the consideration of this Honourable House for the enactment of a private bill to address the matter equitably and justly.

YOUR PETITIONER THEREFORE HUMBLY PRAYS:

(a) That this Honourable House will be pleased to consider and pass a private bill for the inclusion of Lord Lancelot Junior Webb within the provisions and protections of the Act of Settlement (1700), Chapter 2, 12 and 13 Will 3;

(b) That such a bill will provide for [specific terms and provisions required for inclusion and relief, ensuring compliance with existing constitutional law and equity]; and

(c) That your Petitioner be granted such other and further relief as to this Honourable House may seem just and equitable.

And your Petitioner, as in duty bound, will ever pray.
