

Petition for a Private Bill: Welfare Improvement for Lord Lancelot Junior Webb

To the Honourable the Commons of the United Kingdom of Great Britain and Northern Ireland
in Parliament assembled:

The Humble Petition of Lord Lancelot Junior Webb at 5 Carisbrooke Court, Station Approach,
Cheam, Sutton, SM2 7BN
Sheweth:

1. That the Welfare Reform Act 2012 (2012 c. 5) introduced significant reforms to welfare benefits, including provisions governing Universal Credit and other support payments.
2. That your Petitioner, Lancelot Junior Webb, is in receipt of welfare benefits provided under the Act but asserts that the current level of payment is insufficient to meet his unique financial needs and circumstances.
3. That the insufficiency of the current welfare payment adversely impacts your Petitioner's ability to meet essential living costs, maintain well-being, and ensure dignity, which contravenes the principles of social justice and fairness enshrined in welfare policy.
4. That your Petitioner seeks an increase in his welfare benefit payments to £1,000 per week, an amount deemed necessary to adequately address his specific financial requirements.
5. That this increase would represent a necessary exception to standard welfare provisions under the Welfare Reform Act 2012 and would require legislative authority to enact.

Wherefore your Petitioner prays that your Honourable House will be pleased to:

1. Introduce a private bill titled "The Lancelot Junior Webb Welfare Payment Increase Bill," to provide for the specific amendment of welfare provisions as they apply to your Petitioner.
2. Amend the Welfare Reform Act 2012 or make such other provisions as are necessary to enable the increase of welfare benefit payments to your Petitioner to £1,000 per week.
3. Consider the particular financial and social circumstances of your Petitioner in granting this exception to the standard welfare framework.

And your Petitioner, as in duty bound, will ever pray.
